ISA Arts invites EYFS and KS1 students to use their imagination and write a short story together. The most creative and exciting stories will be selected as winners. Each of the winners will be illustrated by a professional artist and published in a book. This competition provides an opportunity for ISA Member schools to encourage young children to work together on a creative project. The skills that they might use/develop include:

- Listening
- Generating and sharing ideas
- Planning a story
- Using new vocabulary
- Group decision making
- Working as a team
