The Independent Schools Association (ISA) is the registered charity that represents the Heads of over 670 of the UK's best independent schools. We provide our Members and their staff with a wide range of membership services, including high quality training courses and conferences, networking opportunities, advice and support.

Founded in 1878, ISA is one of the oldest of the organisations for the heads of independent schools.

Our members are Headteachers or Principals of independent schools, or Honorary Members who serve the sector. ISA Members' schools are **diverse** and cover the complete age range and vary in size and nature, from **early years to senior, boarding and day, all-through schools, co-educational and single gender**, and **specialist schools** in the **arts and music**.

ISA works closely with Headteachers and with other professional bodies to promote excellence in independent education. We seek to influence the national educational debate on behalf of our Members, while promoting independence and choice.

Sponsoring at our events allows school suppliers to build their brand awareness through an affiliation with an influential voice within the independent education sector and offers access to key decision-makers.

All packages are purchased on a first come, first served basis.
